DREAMS[®]
Cancun
RESORT & SPA

THE *Gem* OF YOUR DREAMS

A SETTING *of Splendor*

The sophisticated readers of *Condé Nast Traveler* magazine named Dreams Cancun one of the Top Ten Resorts in Mexico. Travel industry publication *TravelAge West* also honored us with its prestigious Wave Award naming it: Best All-Inclusive Resort — excellent indications that things are very special here.

Cancun is a friendly and bustling city, yet within our lush 71 oceanfront acres, you will be serenely tucked away. One reason is our one-of-a-kind location. Here at the most eastern tip of Mexico, you are surrounded on three sides by the beauty of the azure Caribbean Sea. Dreams Cancun will enfold you with its majestic “Pyramid” and Tower luxury, the shimmering pools, the beaches — even a natural saltwater lagoon with live dolphins! The property has been recognized by **Preferred Hotels® & Resorts** as distinguished among full-service luxury hotels and spas for our rigorous standards of excellence. Outside, the all-day, all-night vibrancy of the city invites you to party, dance, shop, explore — just be yourself.
